## CHATI CORONEL

### Bio

Coronel (b. 1970) arrived at painting after completing a Degree in Architecture in 1991. She has since developed a distinct practice of deeply layering painted figures, using negative space to contain gestures and landscapes to explore human consciousness and spirit.

Coronel had her first one-woman show at Manila's seminal artist-run space, Surrounded by Water, in 1999. She was the recipient of a grant for artist residency at The Vermont Studio Center in 2000 and was the first Filipino artist chosen to participate in the Florence Biennale in 2005. Coronel's Singapore exhibit, "The First Kiss on Earth" was listed in Artnet's Top Ten International Shows of 2014. Coronel lives and works in Manila and is represented by Silverlens Galleries.
