

POW MARTINEZ

Bio

Pow Martinez is a recipient of the Ateneo Art Awards for his *1 Billion Years* exhibition at West Gallery, Philippines. He exhibits internationally and has worked with different media, including sound. His recent group exhibitions include *Bastards of Misrepresentation* New York and Berlin editions, *Salvation on a Nest of Vipers* in Melbourne, Australia, and *Complete and Unabridged* in Osage Gallery, Hong Kong. Pow has also held a number of solo shows in major galleries in Manila, most recently, *psychodelic behavior* in West Gallery.

Martinez's paintings belie their grotesque subject matter with the inebly beautiful surfaces and a wide-ranging, daring use of color. Mutants, monsters, demons, deviants, and freaks lurch, sit, and appear to transform amidst weirdly lit landscape or disintegrating urban scenarios, or emerge from a painterly graffiti mess, but, as his more abstracted works insist, Pow's ability to render intriguing relationships between forms and surfaces ensure his works are endlessly compelling-- an experience akin to a beautiful nightmare.

POW MARTINEZ Bio

b. 1983, Manila, PH

Analog Boy, 2015
